

## Report on National Innovation Day Celebration

The college celebrated National Innovation Day on 15th October 2025 to mark the birth anniversary of Dr. A. P. J. Abdul Kalam, the former President of India and a great inspiration for young innovators. The event aimed to encourage creativity, innovation, and technological thinking among students. The celebration was organized by the Institution's Innovation Council (IIC) of the college under the guidance of Principal Prof. Upendra Sharma.

On this occasion, two competitions were organized to provide a platform for students to showcase their skills and ideas.

### 1. Digital Poster Making Competition

The theme for the competition was "Future of IT Innovation." Students participated enthusiastically and created impressive posters using both traditional and AI-based tools. Their work reflected innovative ideas about the future of technology and its impact on society.

#### Winners:

Sunita – B.Com 1st Year  
Simran – BCA 3rd Year  
Yash – BCA 3rd Semester

### 2. Short Animation / Video Editing Competition

This competition was based on the themes "Future of Education with AI" and "AI in the Real World." Participants demonstrated creativity and technical skills by presenting insightful videos on how artificial intelligence is shaping education and everyday life.

#### Winners:

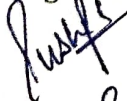

Anuj – B.Com 3rd Year  
Babita – PGDCA

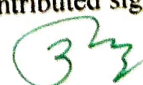

The celebration was a great success, with active participation from students across different courses. It not only enhanced their creative and technical abilities but also motivated them to think innovatively, following the vision of Dr. Kalam. The event concluded with appreciation for all participants and encouragement to continue exploring new ideas and technologies.

On this occasion, Principal Prof. Upendra Sharma congratulated the participants and appreciated their innovative efforts. In his address, he emphasized the importance of creativity and innovation in today's rapidly evolving technological world. He encouraged students to develop problem-solving skills and actively engage in innovative practices to contribute meaningfully to society. He also highlighted the role of young minds in shaping the future of the nation through technology and research.

The celebration was graced by the presence of faculty members including Prof. Ajay Kumar, Prof. Kaku Ram Manhas, Prof. Parveer Dhiman, Dr. Anuragini, Dr. Pushpa Yadav, Dr. Rajesh Kumar, Prof. Neha Choudhary, Prof. Priya, Prof. Ashish, Prof. Ranjeet, Prof. Yuvraj, Prof. Nilkamal, and Prof. Abhishek, whose encouragement and support contributed significantly to the success of the event.
