

The Disaster Management Cell of Government Degree College, Nagrota Surian successfully conducted an Evacuation Mock Drill on 15 June 2026 under the guidance of Mr. Ranjeet, Assistant Professor, Department of Political Science and Nodal Officer, Disaster Management Cell. The drill was organized as part of the 10th Edition of the State-wide Mega Mock Exercise on Earthquake, Cloudburst, and Fire Emergencies.

The primary objective of the mock drill was to enhance disaster preparedness, create awareness among students and staff, and familiarize them with standard emergency response procedures during natural and man-made disasters. The exercise aimed to test the institution's emergency evacuation plan, improve coordination among stakeholders, and strengthen the capacity of participants to respond effectively during emergencies.

The programme commenced with a briefing by the Nodal Officer, who explained the objectives of the exercise, safety protocols, evacuation routes, assembly points, and the importance of maintaining calm and discipline during emergencies.

On receiving the emergency alarm, students, teaching faculty, and non-teaching staff immediately initiated the evacuation process. A headcount exercise was conducted to ensure that all participants had been evacuated safely. Basic emergency response procedures and safety measures were also demonstrated during the exercise.

A total of 15 student volunteers actively participated in the mock drill and assisted in the smooth execution of the evacuation process. The exercise was completed successfully without any confusion or injury, reflecting the preparedness and cooperation of all participants.

Overall, the Evacuation Mock Drill was highly successful and achieved its objectives of improving awareness, preparedness, coordination, and emergency response capabilities among the college community.
