

GOVERNMENT DEGREE COLLEGE NAGROTA SURIAN
Himachal Pradesh

CAMPUS MIRROR

Reflecting the life of our Campus

SPECIAL EDITION • JUNE 2026 • Q4, Academic Year 2025-26

WELCOMING THE NEW BATCH

June is when the college welcomes its new batch. This special edition covers the four events held in the month: pre-admission and post-admission counselling that guided students through course choice and the first steps of college life, International Yoga Day observed by the NSS, and the Orientation Day (Induction Programme) that formally welcomed the first-year students. These events fall in the last quarter (April–June) of academic year 2025–26 and complement the Q1 AY 2026–27 issue.

From the Principal's Desk

It gives me immense pleasure to present the June 2026 Special Edition of Campus Mirror, the newsletter of Government Degree College Nagrota Surian. This edition captures the spirit of a new beginning as we welcomed our incoming students through counselling sessions and the Orientation Programme, while also promoting health and well-being through the celebration of International Yoga Day.

At our college, we strive to create an inclusive and supportive learning environment where every student is encouraged to explore their potential, develop confidence and pursue their aspirations. Our commitment extends beyond academic excellence to nurturing discipline, creativity, holistic development and responsible citizenship.

I congratulate the editorial team and all contributors for their sincere efforts in documenting these activities. May Campus Mirror continue to reflect the achievements, aspirations and vibrant spirit of our college community!

Dr. Pardeep K Kaundal

Editors' Column

The June 2026 Special Edition of Campus Mirror celebrates the spirit of new beginnings, learning and well-being at Government Degree College Nagrota Surian. Through this edition, we bring together glimpses of the pre-admission and post-admission counselling sessions, International Yoga Day celebrations and the Orientation Programme for first-year students, reflecting our college's commitment to a smooth, supportive and enriching educational journey.

We believe that a college newsletter is more than a record of events; it is a reflection of the ideas, efforts and aspirations that shape our institutional community. We sincerely thank the Principal, faculty members, organising committees and students for their valuable contributions and continued support.

We hope this edition captures the enthusiasm of our college community and inspires our students to learn, participate and grow with confidence.

Pre-Admission Counselling

Admission Committee

Ahead of the new session, Government Degree College Nagrota Surian ran a continuous pre-admission counselling drive in which faculty members worked with dedication to guide students on course selection, career opportunities and future goals.

Through one-to-one interaction and personalised guidance, students received valuable support in making informed academic decisions. The entire staff made sincere efforts to assist students in every possible way, ensuring a smooth and student-friendly admission process. The counselling drive continued with the aim of helping every student choose the right path for a bright future.

HIGHLIGHT *One-to-one guidance on courses, careers and future goals, for a smooth, student-friendly admission process.*

Celebration of International Yoga Day

NSS Committee | Students, Faculties and Local Residents | Resource Person- Ayurvedic Doctor, CHC Bantungli

The NSS Unit of the College marked International Yoga Day on the college campus with a yoga session led by the Ayurvedic Doctor from the Community Health Centre (CHC), Bantungli. Participants including students and local residents practised yoga on mats laid out on the lawn at the venue.

The observance aimed to make people aware of yoga and to inspire them to adopt a healthy lifestyle. Yoga helps maintain physical health, mental peace and inner balance, and regular practice reduces stress and improves concentration and efficiency. International Yoga Day carries the message of “healthy body, healthy mind” and promotes unity and harmony in the world.

HIGHLIGHT “Healthy body, healthy mind” – yoga for physical health, mental peace and balance.

Post-Admission Counselling

Admission Committee | For newly admitted students

The college conducted post-admission counselling sessions for newly admitted students to help them move smoothly into college life. During the sessions, students were informed about the college’s rules and regulations, academic requirements, attendance norms, the code of conduct and the important procedures to be completed before classes begin.

Students were encouraged to be punctual, disciplined and actively involved in academic and co-curricular activities. The counselling helped them understand their responsibilities, make informed decisions and make full use of the opportunities available to them. The initiative aimed to motivate students and prepare them for a successful and productive academic journey.

HIGHLIGHT Rules, attendance, discipline and procedures explained to help new students settle in.

27 JUNE 2026 • ORIENTATION TO NEW STUDENTS

Orientation Day (Induction Programme) for First-Year Students

Activity Management Committee | 60 participants | Prof. Parveer Dhiman

The Orientation Day (Induction Programme) for first-year students was organised with great enthusiasm to give the new batch a warm welcome into the academic session. Induction programmes such as this are a regular part of the college's academic calendar and help students make a smooth transition into college life.

The programme was led by Prof. Parveer Dhiman, who motivated the students to pursue academic excellence and to take an active part in co-curricular activities. Faculty members then introduced the various departments, the courses offered (BA, B.Sc., B.Com. and BCA) and the overall academic structure of the college.

HIGHLIGHT A warm welcome, a tour of courses and departments, and encouragement to join co-curricular life.
