

GOVERNMENT DEGREE COLLEGE NAGROTA SURIAN

CAMPUS MIRROR

Quarterly Newsletter | Q1, Academic Year 2026-27 | July – September 2026

“Learning, Leading & Leaving an Impact”

The first quarter of the session opened with a strong focus on student welfare, awareness and career readiness. Lectures on equal opportunity, anti-ragging, mental health and drug-free living ran alongside scholarship orientations and career-guidance sessions; innovation and financial-literacy workshops built future skills; NSS and Eco Club drives kept the campus clean and green; and the college celebrated Independence Day, National Space Day, National Sports Day and its own Talent Hunt. The quarter also saw the visit of the Himachal Pradesh University affiliation inspection team.

From the Principal's Desk

Dear students, colleagues and well-wishers,

It gives me great pleasure to present this issue of Campus Mirror, the quarterly newsletter of Government Degree College Nagrota Surian. This publication reflects the vibrant academic environment, creative energy and collective efforts that shape our institution.

The first quarter of the academic session 2026–27 witnessed a range of academic, co-curricular and student welfare activities aimed at nurturing knowledge, creativity, discipline and responsible citizenship. We remain committed to providing inclusive, quality education and meaningful opportunities for the holistic development of our students, particularly those from rural backgrounds.

I appreciate the sincere efforts of the faculty, students and Editorial Board in documenting the achievements and activities of the college. May Campus Mirror continue to inspire young minds, celebrate accomplishments and strengthen our shared commitment to excellence.

Prof. Ajay Kumar

Principal

Government Degree College Nagrota Surian

Editor's Column

Campus Mirror is more than a newsletter; it is a reflection of the ideas, achievements and experiences that bring our campus to life. This quarterly edition captures the spirit of Government Degree College Nagrota Surian during July–September 2026, highlighting the academic initiatives, awareness programmes, student participation and institutional activities undertaken during this period.

Through these pages, we seek to preserve the college's journey, acknowledge the contributions of our faculty and students, and share the experiences that make campus life meaningful. Every activity recorded here represents an effort towards learning, growth and community engagement. We express our sincere gratitude to the Principal, faculty members and students for their cooperation and contributions. We hope this edition informs, inspires and encourages every reader to participate actively in the continuing journey of our institution.

JULY

17 JULY 2026 • AWARENESS

Lecture on Equal Opportunity and Gender Equality

Equal Opportunity Cell / Committee for Differently-Abled Students | 100 participants | Prof. Parveer Dhiman (speaker) • Dr. Pardeep Kumar Kaundal, Principal (guest of honor)

The Equal Opportunity Cell and the Committee for Taking Care of Differently Abled Students opened the session with a special lecture aimed at building awareness of equal opportunity, social inclusion and gender equality among students. The programme set out to make students more sensitive to gender discrimination, the rights of transgender persons and the importance of respect for every section of society.

Prof. Parveer Dhiman, Assistant Professor at the college, addressed the gathering as the main speaker. He spoke in detail on gender discrimination, the social and constitutional position of the transgender community, the right to equal opportunity, and the need for equal treatment and dignity for all. Principal Dr. Pardeep Kumar Kaundal, the guest of honor, urged students to play an active part in building an inclusive, respectful and harmonious atmosphere on campus and to stay away from every form of gender, social or other discrimination.

HIGHLIGHT *Equal opportunity, inclusion and gender sensitization placed at the Centre of campus life.*

Awareness Session on Menstrual Hygiene and Body Literacy

Women Development Cell | 166 participants | Dr. Anuragini

The Women Development Cell of Government Degree College Nagrota Surian organised an awareness session on Menstrual Health and Hygiene on 17 July 2026. Dr. Anuragini, Assistant Professor of Zoology and Convenor of the Cell, highlighted the importance of menstrual hygiene, infection prevention, and the safe use and disposal of sanitary products. She also addressed common myths and misconceptions, encouraging students to view menstruation as a natural biological process without stigma. The interactive session witnessed active student participation and benefited 166 students, approximately 46% of the total college strength, promoting awareness and healthy menstrual hygiene practices.

HIGHLIGHT Awareness session on menstrual hygiene, breaking myth against menstruation

Special Awareness Lecture on Anti-Ragging

Anti-Ragging Committee | 161 participants | Dr. Rajesh Kumar (speaker) Dr. Pardeep Kaundal, Principal (guest of honor)

The college's Anti-Ragging Committee organised a special lecture to make newly admitted and continuing students aware of the consequences of ragging, the legal provisions against it and the ways to protect themselves.

Dr. Rajesh Kumar, Assistant Professor, spoke as the main speaker and explained what ragging is, its different forms, and the mental, social and academic harm it causes. Principal Dr. Pardeep Kaundal attended as guest of honour and, in his presidential address, called on students to stay alert, stressing that a safe, respectful and ragging-free campus is everyone's collective responsibility. He appealed to students to strengthen mutual cooperation, discipline and the spirit of brotherhood.

HIGHLIGHT *A clear message: a safe, respectful and ragging-free campus is a shared responsibility.*

Mental Health and Wellness Lecture

Mental Health and Wellness Committee | 145 participants | Prof. Diksha Chandel, Asst. Professor of Psychology, GDC Haripur

The Mental Health and Wellness Committee organised a special lecture focused on the mental health and holistic development of students. Prof. Diksha Chandel, Assistant Professor of Psychology at Pandit Chander Dhar Guleri Government Degree College, Haripur, was the resource person.

In her lecture she stressed the importance of mental health and explained that a balanced lifestyle, positive thinking and regular communication are essential to avoid stress, anxiety and depression in today's competitive world. She encouraged students to practice yoga, meditation and time management to stay well, and advised them to seek professional guidance whenever they need it.

HIGHLIGHT *Practical advice on staying stress-free: balance, communication, yoga, meditation and time management.*

BIRAC Funding Opportunities for Biotech Innovation in HEIs

Institution's Innovation Council (IIC) | 46 participants | Ms. Taranjeet Kaur, Senior Manager, BIRAC (live session)

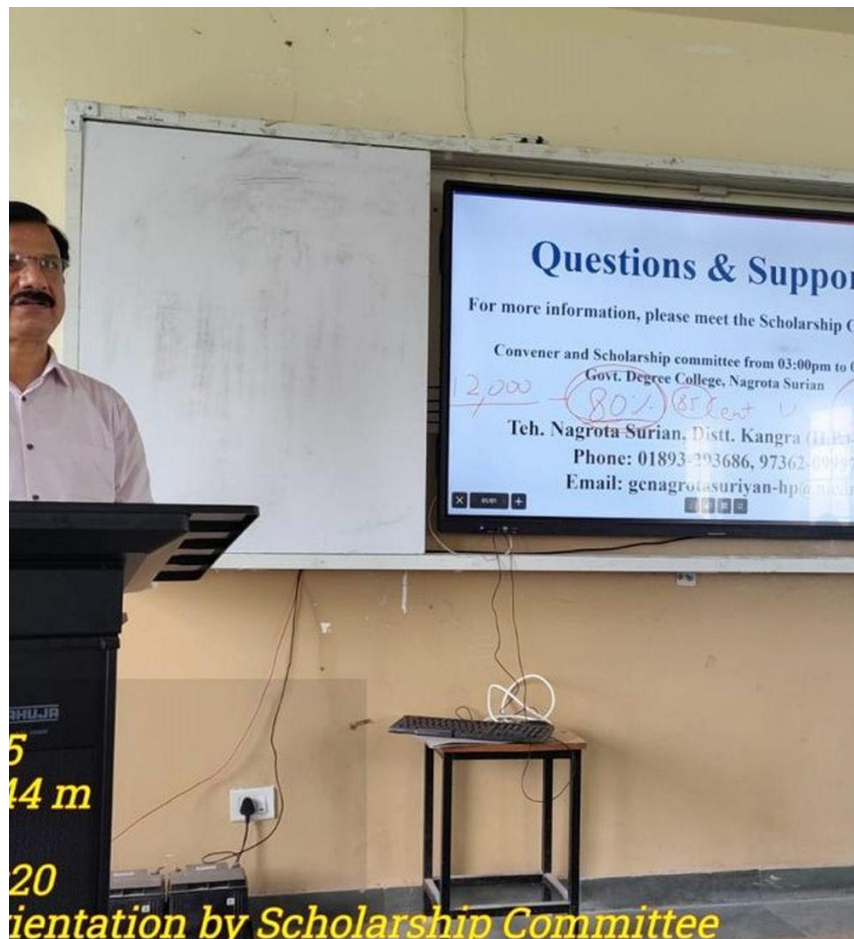

The Institution's Innovation Council (IIC) organised a group viewing of the MIC-driven activity "Funding Opportunities for Biotech Innovations in HEIs: BIRAC Schemes" in Room No. 307. The programme began with a brief introduction to the importance of innovation and entrepreneurship under the guidance of the Ministry of Education's Innovation Cell.

In the live session, Ms. Taranjeet Kaur, Senior Manager and In-charge of Entrepreneurship Development at the Biotechnology Industry Research Assistance Council (BIRAC), explained BIRAC's vision in supporting biotechnology innovation across higher education institutions. She discussed funding schemes, eligibility criteria, incubation support, start-up grants and opportunities for students, researchers, and faculty, with real-life examples of start-ups and innovation projects backed by BIRAC. Faculty members encouraged students to take part in future innovation and entrepreneurship initiatives of the IIC.

HIGHLIGHT *From lab idea to market: BIRAC schemes, incubation and start-up grants explained.*

Scholarship Orientation Programme

Scholarship Committee | 172 participants | Dr. Rajesh Kumar, Convener (speaker) • Dr. Pardeep Kumar Kaundal, Principal

The Scholarship Committee organised an orientation programme to acquaint students with the various scholarship schemes and the application process, giving practical information on eligibility, required documents and how to apply.

Dr. Rajesh Kumar, Convener of the committee, was the main speaker. He described in detail the Kalpana Chawla Scholarship, the Indira Gandhi Utkrisht Scholarship, post-matric scholarships (OBC, SC, ST and EBC), the PM YASASVI scheme, the Mukhyamantri Vidyarthi Kalyan Yojana and the schemes meant for minority and differently-abled students. Principal Dr. Pardeep Kumar Kaundal urged students to make the most of the schemes available, calling financial assistance an important means of making higher education accessible and empowering.

HIGHLIGHT Central and state scholarship schemes explained, with the application process step by step.

Lecture on Career Guidance

Career and Placement Cell | 250 participants | Dr. H. L. Dhiman, former Principal (keynote) • Dr. Pardeep Kaundal, Principal

One of the best-attended sessions of the quarter, with 250 students present, the career guidance lecture was organised by the Career and Placement Cell with the aim of helping students shape a bright future.

Dr. H. L. Dhiman, former Principal of the college, delivered the keynote. He gave detailed information on the opportunities currently available in the government sector and encouraged students to choose careers in line with their interest, aptitude and skills so that they use their time well. He reminded them that the foundation of success lies not merely in talent but in discipline, determination and continuous effort. Principal Dr. Pardeep Kaundal observed that such lectures are immensely beneficial to students.

HIGHLIGHT *Jobs in the government sector, the private sector and self-employment were all covered.*

NSS Special Camp: Cleanliness Drive

NSS Unit | 30 participants | Dr. Pardeep Kumar Kaundal, Principal • Prof. Ajay Kumar

The NSS unit of the college held a special camp built around a cleanliness campaign, and volunteers took part with enthusiasm, discipline and a spirit of service. They carried out a thorough cleanliness drive across the campus, spreading the message of a clean and healthy environment and resolving to spread awareness about cleanliness in society.

Principal Dr. Pardeep Kumar Kaundal appreciated the volunteers' dedication, saying that the NSS builds social responsibility, discipline, leadership and the spirit of national service. Senior faculty member Prof. Ajay Kumar also addressed the students on cleanliness, social service and environmental protection. The camp was conducted under NSS Programme Officer Prof. Neelkamal Kumar, with Prof. Abhishek Pal as co-organiser. Refreshments were served at the close, and the volunteers pledged to keep working for a clean, beautiful and eco-friendly society.

HIGHLIGHT *Volunteers pledged to keep working for a clean, beautiful and eco-friendly society.*

AUGUST

4 AUGUST 2026 • AWARENESS

“Nasha Mukh Yuva – Viksit Bharat” Awareness Lecture

NSS Unit and Prahari Club (Anti-Drug Cell) | 132 participants

Under the Drug-Free Youth – Developed India campaign, the college organised an awareness lecture to alert students to the harmful effects of substance abuse. The NSS unit and the Prahari Club (Anti-Drug Cell) organised the programme, which was presided over by the Principal.

The Principal urged students to adopt a drug-free lifestyle and to spread awareness against substance abuse in society. The key messages were that drug abuse is extremely harmful to an individual's health, personality, family and society, and that every student should stay completely away from all forms of intoxicating substances.

HIGHLIGHT *A drug-free youth is the foundation of a developed India.*

Workshop on Financial Literacy through Mutual Funds

IIC, Commerce Society and IQAC | 135 participants | Mr. Ankur Sharma, NJ Wealth Partner (Resource Person) Dr. H. L. Dhiman, former Principal (special guest)

Government Degree College Nagrota Surian organised a one-day workshop on “Financial Literacy through Mutual Funds” under the joint aegis of the Institution’s Innovation Council (IIC), the Commerce Society and IQAC. The workshop aimed to promote financial literacy among students and to introduce the basics of mutual funds, budgeting, savings, SIPs and long-term wealth creation, encouraging responsible financial habits from an early age.

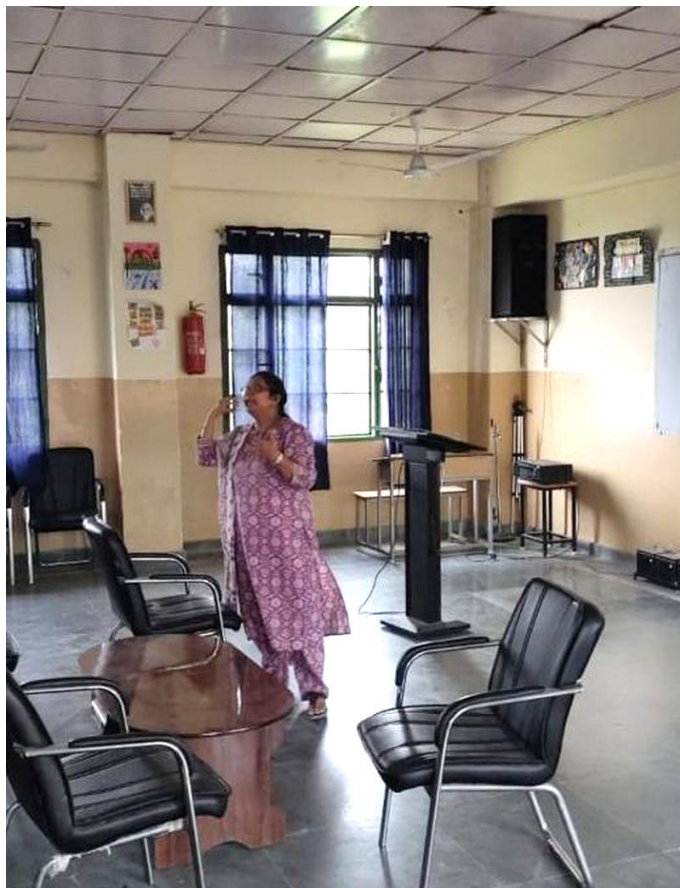

The programme began with a welcome address and the felicitation of dignitaries. Dr. Pardeep Kumar, Principal, presided, while Dr. H. L. Dhiman, former Principal of the college, attended as special guest, and the organisers acknowledged his continued guidance and support. The technical session was conducted by Mr. Ankur Sharma, Agency Manager and personal finance expert, who explained the importance of financial literacy today and discussed budgeting, savings, emergency funds, mutual fund investments, SIPs, compounding, diversification, the risk–return relationship and long-term planning through practical examples.

Students took an active part, asking questions on investment options, financial planning and wealth creation. The interactive discussion helped them understand how to make informed financial decisions and avoid common misconceptions about investing. The resource person was honored with a letter of appreciation.

HIGHLIGHT *The power of compounding, goal-based investing and SIPs brought to undergraduate students.*

Awareness Programme on YUKTI – National Innovation Repository

Institution's Innovation Council (IIC) | 104 participants | Dr. Pushpa Yadav, IIC Convenor

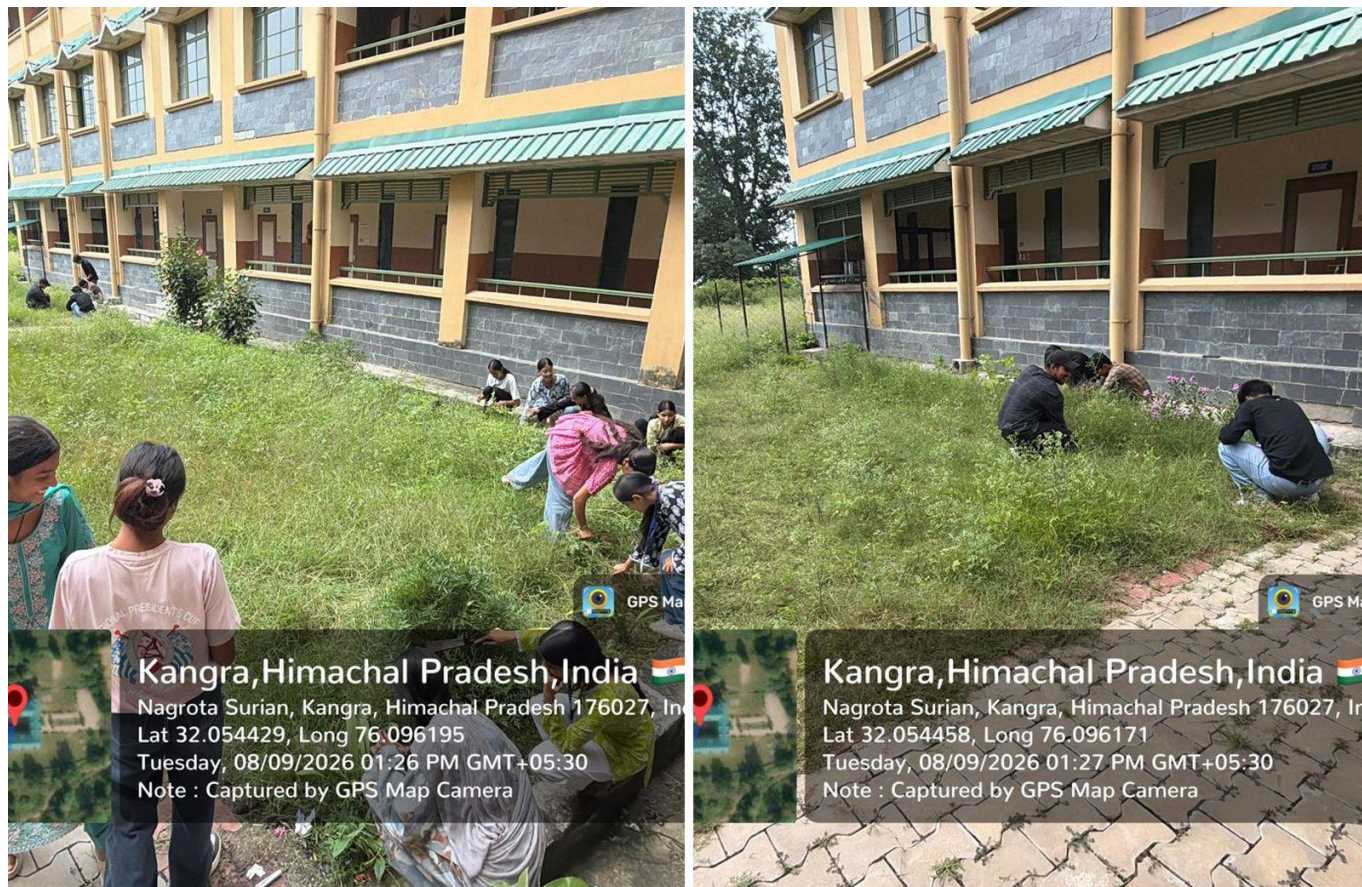

The Institution's Innovation Council organised an awareness programme on YUKTI – the National Innovation Repository in Room No. 408. Dr. Pushpa Yadav, Convenor of the IIC, briefed students on the objectives of the repository and explained the registration process and the procedure for submitting innovative ideas on the portal. She encouraged students to identify problems, develop creative solutions and take an active part in innovation-related activities. In all, 104 students benefited from the programme, which aimed to promote innovation, creativity and entrepreneurship on campus and to encourage them to explore their creative potential and contribute to a culture of innovation in the institution.

HIGHLIGHT 104 students introduced to registering and submitting ideas on the YUKTI portal.

Campus Cleaning and Beautification Activity

Eco Club | 37 participants | Prof. Yuv Raj, In-charge, Eco Club • Prof. Ajay Kumar, Principal

The Eco Club organised a campus cleaning and beautification activity with the active participation of its volunteers, under the guidance of Principal Prof. Ajay Kumar, to promote cleanliness, environmental awareness and a sense of responsibility among students.

Volunteers removed unwanted grass, weeds and unnecessary vegetation from designated areas of the campus, and the cleared areas were prepared for planting and maintaining different varieties of flowers. The activity was coordinated by Prof. Yuv Raj, In-charge of the Eco Club, who guided and motivated the volunteers throughout. The Principal addressed the students and appreciated their enthusiastic participation, and refreshments were provided to the volunteers afterwards. The drive improved the look of the campus and promoted teamwork, discipline and environmental awareness.

HIGHLIGHT *Cleared and prepared garden beds for flower plantation.*

Plantation Drive

Energy Club and Science Society | 22 participants

On the occasion of the 80th Independence Day of India, the Energy Club and the Science Society of the college organised a plantation drive on the campus as part of their environmental awareness and sustainability initiatives.

In preparation for the coming winter season, faculty members and students planted different varieties of flower saplings and cuttings, including rose saplings, at suitable places within the college premises. The activity aimed to increase the greenery and beauty of the campus while spreading awareness about environmental conservation and sustainable practices.

HIGHLIGHT *Rose saplings and flower cuttings are planted to green the campus for winter.*

Independence Day Celebration

Independence Day Committee | 141 participants

On this solemn and dignified occasion, the college remembered with reverence the brave martyrs and great freedom fighters of the independence struggle. Students took part enthusiastically in a range of cultural and educational activities, including a speech competition, patriotic songs, patriotic dances, poetry recitation, a poster-making competition and a quiz.

Winners were speech competition – Tanisha and Fara (first), Vanshika (second); poetry recitation – Mahak, Fara and Smriti Sharma (first, second and third); music – Mahak and Nandita (first and second); poster making – Komal, Palak and Suhani (first, second and third).

Through their talents the students showed the heroic figures of the struggle for freedom, the unity and integrity of the nation and their own duties towards the country. Patriotic songs and dances filled the ceremony with zeal, while spirited speeches and soulful poetry moved the audience. The quiz tested students' knowledge of the Indian independence movement, the Constitution, national symbols and the country's history. The spirit of "Nation First" was evident throughout.

HIGHLIGHT *Speech, song, dance, poetry, posters and a quiz – the "Nation First" spirit on full display.*

Anti-Ragging Week (18–20 August)

Anti-Ragging Committee | 146 participants | Prof. Ajay Kumar, Officiating Principal

Anti Ragging Awareness

पोस्टर और स्लोगन लेखन में पलक प्रथम

चित्तसपुर (कंगड़ा) : राजकीय महाविद्यालय नगरोटा सूरिया में एंटी-रेगिंग सप्ताह के तहत पोस्टर एवं स्लोगन लेखन प्रतियोगिता का आयोजन किया गया। प्रतियोगिता में 37 विद्यार्थियों ने भाग लिया। पोस्टर प्रतियोगिता में पलक चौधरी ने प्रथम स्थान प्राप्त किया, जबकि श्रेष्ठा द्वितीय और अंजली देवी तृतीय रही। स्लोगन लेखन में पलक चौधरी ने प्रथम, श्रेष्ठा ने द्वितीय और उदित कुमार ने तृतीय

स्थान हासिल किया। इसके अतिरिक्त 146 विद्यार्थियों को एंटी-रेगिंग झक्यूमेटी दिखाई गई, और 137 विद्यार्थियों ने आनलाइन प्रश्नोत्तरी में भाग लिया। कार्यक्रमी प्राचार्य प्रो. अजय कुमार ने महाविद्यालय प्रशासन की रैगिंग मुक्त परिसर बनाए रखने की प्रतिबद्धता व्यक्त की और विद्यार्थियों से सुरक्षित, सौहार्दपूर्ण एवं अनुशासित वातावरण बनाए रखने का आह्वान किया। (जासकें)

गंगा तटस्थों में जलद जल जोगों की भागीदारी

To make students aware of the harmful social and academic consequences of ragging, and to ensure a safe, disciplined, inclusive, respectful and ragging-free campus, the college observed an Anti-Ragging Week from 18 to 20 August 2026.

During the week the committee organised awareness activities, creative competitions and an online quiz. Through them, students learnt about the consequences of ragging, how it can be prevented, their own responsibilities and the legal and institutional provisions relating to ragging. A poster and slogan-writing competition was among the activities, and the week was covered in the local press.

HIGHLIGHT *Three days of awareness activities, competitions and an online quiz, with press coverage.*

NSS One-Day Camp

NSS Unit | 40 participants | Prof. Ajay Kumar, Officiating Principal

The NSS unit of the college organised a one-day camp in which volunteers took part with enthusiasm and active participation. During the camp they ran a cleanliness drive across the campus, cleaning different areas, collecting waste and helping make the campus clean and beautiful, while giving the message of a clean environment and a healthy atmosphere.

The camp set out to develop cleanliness, social responsibility, the dignity of labour and the spirit of collective cooperation among students. The volunteers' active involvement showed that young people can play an important part in building society and the nation. The college administration appreciated their enthusiasm and dedication, noting that such events strengthen both personality development and the sense of social service.

HIGHLIGHT *Dignity of labour and teamwork on display in the campus clean-up.*

HPU Affiliation Inspection Team Visits College

College Academic Committee | Prof. Surender Singh Narta (team head) • Prof. Ajay Kumar, Officiating Principal

An affiliation inspection team of Himachal Pradesh University, headed by Prof. Surender Singh Narta, visited Government Degree College Nagrota Surian to inspect the facilities for the affiliation of the BA, B.Sc., B.Com., BCA and PGDCA programmes.

The team was welcomed by the Officiating Principal, Prof. Ajay Kumar. It inspected classrooms, laboratories, the library and other infrastructure, and interacted with students. The issue of vacant teaching and non-teaching posts was also raised, and the team assured that it would be highlighted in its report to the Directorate of Higher Education. The visit marked an important step in the affiliation process and in the college's academic development.

HIGHLIGHT *Facilities inspected for affiliation of BA, B.Sc., B.Com., BCA and PGDCA programmes.*

Global Investing Workshop

Commerce Society, with the Institution's Innovation Council | 27 participants | Mr. Gaurav Jain and Mr. Parimal Ade (online)

The Commerce Society organised a Global Investing Workshop to build the financial awareness and investment knowledge of students, introduce them to the various investment opportunities available and stress the importance of financial literacy among young people.

The workshop was led by Mr. Gaurav Jain, a registered investment advisor, and Mr. Parimal Ade, a wealth management manager with more than ten years of experience, who joined online. They discussed direct stock investments and other investment options, and explained the importance of understanding opportunities, risk factors and financial planning before taking investment decisions. They also showed how informed financial decisions can help individuals reach their short-term and long-term goals.

HIGHLIGHT *Global investing strategies from experienced practitioners.*

National Space Day Celebration

Science Society | 23 participants | Prof. Ashish Bamta, Asst. Professor of Mathematics

The Science Society organised a programme on National Space Day to build awareness of and interest in space science, scientific innovation and India's achievements in space exploration.

Prof. Ashish Bamta (Assistant Professor, Mathematics) gave an informative presentation on the life and contributions of Dr. Vikram Sarabhai, highlighting his visionary role in laying the foundation of India's space programme and his belief in using space science and technology for national development. An interactive quiz followed on space science and India's space programme, covering astronomy, space exploration, Indian space missions, satellites, scientists and milestones in India's space journey. Twenty-three students took part in the quiz. The event was organised under the guidance of Dr. Anuragini, Prof. Priya and Prof. Ashish Bamta of the Science Society.

HIGHLIGHT *A tribute to Dr. Vikram Sarabhai and an interactive space quiz.*

Talent Hunt “Anveshan” 2026–27

Cultural Committee | 83 participants | Prof. Ajay Kumar, Officiating Principal

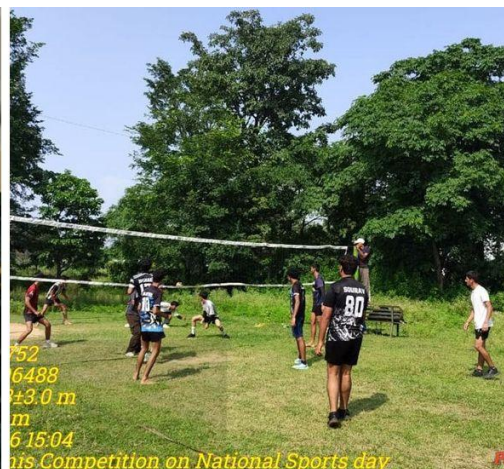

The Talent Hunt Competition, “Anveshan”, was organised on 26 and 27 August 2026 to give students a platform to show their creativity and talent. It was one of the most colourful events of the quarter.

The competition featured a wide range of events: declamation, cartooning, on-the-spot painting, poster making, solo song, solo dance, group dance, reel making, an online quiz and rangoli. Students from different streams and academic years took part with great enthusiasm. In all, 83 students participated, about 23% of the college’s total student strength.

HIGHLIGHT Ten competitions, 83 participants – about 23% of the student body.

National Sports Day

Sports Committee | 30 participants | Prof. Ajay Kumar, Officiating Principal

The college celebrated National Sports Day on 29 August 2026 with great enthusiasm and sporting spirit. The day commemorates the birth anniversary of Major Dhyan Chand, the legendary Indian hockey player, and highlights the importance of sports and physical activity in the overall development of students.

As part of the celebration, chess, table tennis and volleyball competitions were organised on the campus. Students took part enthusiastically and showed remarkable sportsmanship, a competitive spirit and dedication throughout the matches.

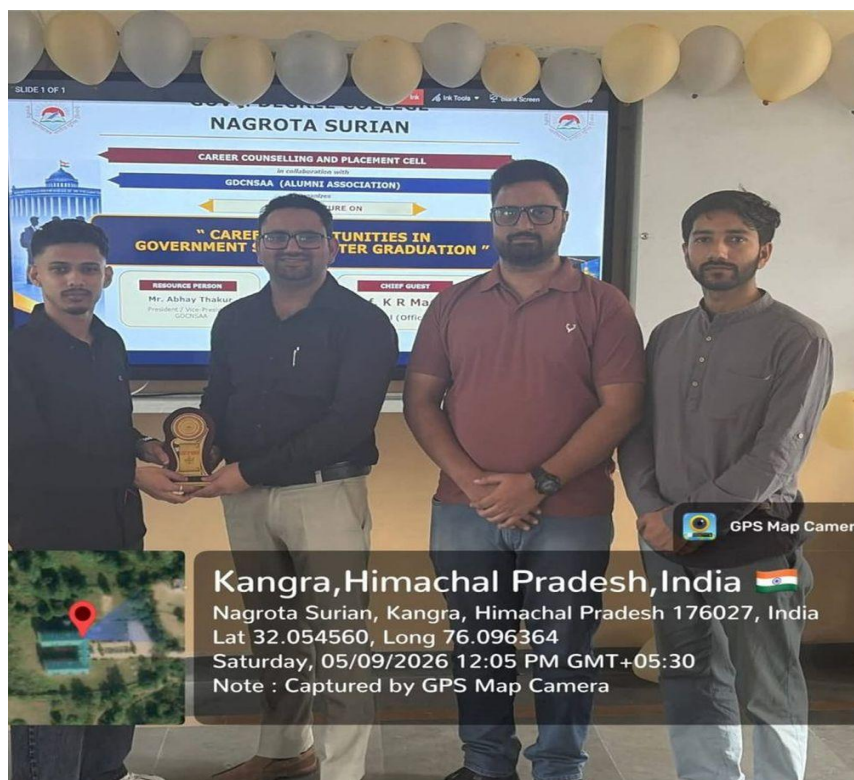

HIGHLIGHT Chess, table tennis and volleyball in honor of Major Dhyan Chand.

SEPTEMBER

5 SEPTEMBER 2026 • CAREER

Career Opportunities in the Government Sector after Graduation

Career Counselling and Placement Cell, with GDC Nagrota Surian Alumni Association (GDCNSAA) | 150 participants | Mr. Abhay Thakur, alumnus

The Career Counselling and Placement Cell, in collaboration with the Govt. Degree College Alumni Association (GDCNSAA), organised a lecture on career opportunities in the government sector after graduation. The session was delivered by Sh. Abhay Thakur, a proud alumnus of the college, and his interaction with students was highly relatable and motivating.

He discussed opportunities in state and central government departments, banking, SSC, UPSC, HPPSC, police services, defence services and other public-sector organisations, and explained the structure and eligibility criteria of these examinations. He stressed proper planning, regular study, awareness of examination patterns and effective time management, and encouraged students to stay focused, disciplined and consistent.

Students were able to clear their doubts and understand the practical challenges of preparing for government jobs. His journey from a student of the college to successful professional was an inspiration for them.

HIGHLIGHT *An alumnus's roadmap to government jobs – UPSC, SSC, banking, defence and more.*

Seminar on Latest Technologies and Emerging Career Opportunities

Career Counselling and Placement Cell, with Nexrise Skills, Kangra | 140 participants | Mr. Aniket and Mr. Varun Guleria

The Career Counselling and Placement Cell, in collaboration with Nexrise Skills, Kangra, organised a one-hour seminar on “Latest Technologies & Emerging Career Opportunities”, primarily for BCA and PGDCA students. Its aim was to create awareness about the fast-changing technology landscape and the career opportunities emerging in technology-driven industries.

The resource person, Mr. Aniket, discussed emerging technologies and their relevance to present and future careers: Artificial Intelligence and Generative AI, Machine Learning and Data Science, Cybersecurity, Cloud Computing, Full Stack and modern Web Development, Digital Marketing and industry trends, along with the skills the industry requires.

The session helped students understand the growing importance of technology-oriented skills and the need to keep upgrading their knowledge in line with changing industry requirements.

HIGHLIGHT *AI, data science, Cybersecurity, Cloud and Web Development – and the skills employers want.*

Participation in State-Level Nipun Testing Camp

Rover and Rangers | 7 participants

Seven student Rangers of the college took part with enthusiasm in the state-level “Nipun” (Proficiency) Camp held at the State Training Centre, Rewalsar (Mandi), from 9 to 14 September 2026.

During the five-day camp the Rangers took part in training sessions, activities and programmes with enthusiasm, discipline and dedication. The camp gave them opportunities to develop leadership qualities, team spirit, self-reliance, discipline and a sense of service to society and the nation, and to interact with peers from different parts of the state. All seven represented the college actively in the camp’s various activities.

HIGHLIGHT *Seven Rangers represented the college at state level NIPUN Testing Camp*

Swachhta Hi Seva: Awareness Campaign

NSS Unit | 30 participants | Prof. Ajay Kumar, Officiating Principal

Under the Swachhta Hi Seva campaign, the college's NSS volunteers went from house to house in Bantungli village to make local people aware of cleanliness and social responsibility.

The campaign set out to make the public aware of the importance of cleanliness, personal and community hygiene and their duties towards society. In conversation with villagers, the volunteers encouraged them to keep their homes and surroundings clean, make cleanliness a part of everyday life, and take an active part in building a clean and healthy society. All volunteers were expected to take part with discipline, humility and responsibility and to carry the message of "Swachhta Hi Seva" effectively to every door.

HIGHLIGHT *Cleanliness taken door to door in Bantungli village.*

Scholarship Orientation Programme – II

Scholarship and Financial Assistance Monitoring Committee | 70 participants | Dr. Rajesh Kumar (speaker) | Prof. Ajay Kumar, Officiating Principal

A second Scholarship Orientation Programme was held on 30 September 2026 to make students aware of the scholarship schemes run by the state and central governments and their application procedures.

Dr. Rajesh Kumar, Convener of the college's scholarship committee, was the main speaker. He gave detailed information on the schemes available for higher education and explained the finer points of the application process. He urged all eligible students not to wait for the last date but to fill in their forms carefully, within the prescribed time and with all the required and correct documents, so that there is no chance of the form being rejected.

HIGHLIGHT *Apply early, apply correctly: tips to avoid rejection of scholarship forms.*
